Bianca Ryan, I Believe I Can Fly

I used to think that I could not go on And life was nothing but an awful song But now I know the meaning of true love I'm leaning on the everlasting arms

If I can see it, then I can do it If I just believe it, there's nothing to it

[1] - I believe I can fly
I believe I can touch the sky
I think about it every night and day
Spread my wings and fly away
I believe I can soar
I see me running through that open door
I believe I can fly
I believe I can fly
I believe I can fly

See I was on the verge of breaking down Sometimes the silence can seem so loud There are miracles in life I must achieve But first it's gotta start inside of me, yeah

If I can see it, then I can do it If I just believe it, there's nothing to it

[Repeat 1]

'cause I believe in me, yeah Oh, if I can see it, then I can do it If I just believe it, there's nothing to it

[Repeat 1]

I gotta say I can do all things If I just spread my wings Spread my wings Spread my wings Spread my wings And I can fly Ooh fly
