

Bianca Ryan, I Will

How, do I put it to words
That one thing is for sure
You're the one I'm here for
I, I come running to you
Nothing I wouldn't do
I wouldn't never desert you, hurt you
I want you to know

Who's gonna be there
Standing by your side forever
Who's gonna help you
When you can't keep it on together
And who's gonna promise
that they'll never leave you all alone
I will, I will, I will
For you

Try, when the night feels too long
When all your hope is gone
I'll show you how to carry on
Ohh, cause now,
In your eyes i can see
Everything you can be
If you're lost i will find you
Remind you
Don't you know

Who's gonna be there
Standing by your side forever
Who's gonna help you
When you can't keep it on together
And who's gonna promise

that they'll never leave you all alone
I will, I will, I will

For what i believe
I'd risk everything
You know i believe in you
And you're willing to fight
'Cause you know deep inside
It's the right thing to do
It's the chance that you take
It's the bond that won't break
Love is the one thing
That never, ever ends

Who's gonna be there
Standing by your side forever
Who's gonna help you
When you can't keep it on together
And who's gonna promise
that they'll never leave you all alone
I will, I will, I will
For you I will

Who's gonna be there
Standing by your side forever
Who's gonna help you
When you can't keep it on together
And who's gonna promise
that they'll never leave you all alone
I will, I will, I will

For you I will
I will
