

# Bic Runga, Something Good

Just wanna know ya  
Just wanna talk to ya  
I wanna hear about your day  
I'd never leave ya  
Never be mean to ya  
I'd always let you get your way

Something good will come our way  
And maybe this good thing's gonna happen today

If I were honest I 'd tell you everything  
But it keeps coming out as lies  
It's not a promise  
In case you're wondering  
It's not some blessing in disguise

But something good will come our way  
And maybe this good thing's gonna happen today  
Something good will come our way  
And maybe this good things gonna happen today

I know romance is not in fashion  
And my heart is on the line  
If you would be so kind  
To help me kill some time

Then something good just might come crashing  
From the stars that light the sky  
If you would be so kind  
To help me kill some time

Just wanna know ya  
Just wanna talk to ya  
I wanna hear about your day  
I'd never leave ya  
Never be mean to ya  
I'd always let you get your way

Something good will come our way  
And maybe this good thing's gonna happen today  
Something good will come our way  
And maybe this good things gonna happen today

Something good will come our way  
Something good will come our way  
Something good will come our way  
Something good will come our way  
La la la la la  
La la la la la  
La la la la la  
Something good will come our way
