

Bic Runga, Something Good

Just wanna know ya
Just wanna talk to ya
I wanna hear about your day
I'd never leave ya
Never be mean to ya
I'd always let you get your way

Something good will come our way
And maybe this good thing's gonna happen today

If I were honest I 'd tell you everything
But it keeps coming out as lies
It's not a promise
In case you're wondering
It's not some blessing in disguise

But something good will come our way
And maybe this good thing's gonna happen today
Something good will come our way
And maybe this good things gonna happen today

I know romance is not in fashion
And my heart is on the line
If you would be so kind
To help me kill some time

Then something good just might come crashing
From the stars that light the sky
If you would be so kind
To help me kill some time

Just wanna know ya
Just wanna talk to ya
I wanna hear about your day
I'd never leave ya
Never be mean to ya
I'd always let you get your way

Something good will come our way
And maybe this good thing's gonna happen today
Something good will come our way
And maybe this good things gonna happen today

Something good will come our way
Something good will come our way
Something good will come our way
Something good will come our way
La la la la la
La la la la la
La la la la la
Something good will come our way
