

Bif Naked, Hold On

Baby I'm angry
Baby I'm scared
We're living in a dark time
And nobody cares

Baby I'm tired
Life isn't fair
You are the only one who
Will always be there

Hold on to me
Say you'll always love me
Tell me anything you want

Hold on baby
Say you'll never leave me
Promise that you will hold on

Baby I'm sorry
I don't mean to cry
But I never needed you more
Then I need you tonight

Hold on to me
Say you'll always love me
Tell me anything you want

Hold on baby
Say you'll never leave me
Promise that you will hold on

I'm a small honey bee
I'll drown in the water
And you are my hand in the well, well

Hold on to me
Say you'll always love me
Tell me anything you want

Hold on baby
Say you'll never leave me
Promise that you will hold on
Hold on
