

# Bif Naked, Let Down

Ain't had a job in about a year  
Living down in my parents basement  
I wish that I could get outta here  
Sometimes I think I need a vacation

Can't get my mother off my back  
She don't have far to go to drive me crazy  
Someday that bitch is gonna make me crack  
Might be the last time she calls me lazy

YOU'RE A LET DOWN  
PARDON ME IF I'M A LET DOWN  
TO MY FAMILY  
I'M A LET DOWN  
1-2-3 I'M A LET DOWN  
(are you like me?)

And now my sister's got a fancy car  
I got a piece of shit from 1980  
But at least I got my two guitars  
And a one-way ticket to nowhere, Baby!

I'M A LET DOWN  
PARDON ME IF I'M A LET DOWN  
TO MY FAMILY  
I'M A LET DOWN  
1-2-3 I'M A LET DOWN  
(are you like me?)  
(are you like me?)  
(are you like me?)

Oh, no! no! Now, I've got a dream  
they don't understand. It won't be long  
I'm not what I seem. See, I've got  
a plan (that's right!)

Sometimes they act like I don't exist  
Or else, they treat me like I'm still eleven  
Heaven knows I can't take more of this  
They never thought that I'd be 27  
AND A LET-DOWN!  
PARDON ME IF I'M A LET DOWN  
TO MY FAMILY  
I'M A LET DOWN  
1-2-3 I'M A LET DOWN  
(are you like me?)  
(are you like me?)  
(are you like me?)
