The sun shone in, The glint in your eye. Your beautiful face, Your beautiful face.

I held her tight, close to my heart. I didn't know it would break, didnt know it it would break.
I dont believe there's a love anymore it's all inside. We always said its forever in this beautiful life.

And i'll try not to feel this music's for you.
And over,
And over,
And over,
And i'll try not to feel this music's for you.
And over,
And over,
And over,

I held her tight colse to my heart. I didnt know it would break, I didnt know it would break.
I dont believe theres a love any mor its all inside we always said its forever in theis beautiful life.

And i'll try not to feel this music's for you.
And over,
And over,
And over,
And i'll try not to feel this music's for you.
And over,

And over, And over, And over,
