

Biffy Clyro, Day Of...

I get my drugs from God oh yeah (oh yeah), you should see the shit he's got oh yeah (oh yeah)
And then it starts, a trip of a lifetime, our spaceship up against yours
A war on drugs would surely bring...
I get my drugs from God oh yeah, you should see how high I go oh yeah (oh yeah)
The 'shrooms kick off, the trip of a lifetime, when lovers see more clearly?

I'm sure we're on a ride to a day of love and religion!
I'm drifting in a blackness of ideas, colours, movements, kapow, kapow, kapow!
I'm drifting in a vacuum of ideas, colours, movements, kapow, kapow!
