

# Biffy Clyro, Ewen's True Mental You (Hidden)

Can't help seeing what I have  
With the non-stop bickering involved  
Believe in what you know  
No we'll never separate

Can't fail seeing what I have  
With the non-stop bickering involved  
Believe in what you know  
No we'll never separate

Can't help being warm  
No, you can't help being warm  
No, you can't help being warm  
No, you can't help being warm
