

# Biffy Clyro, Take Me Out (Franz Ferdinand Cover)

So if you're lonely,  
you know i'm here waiting for you  
i'm just a crosshair,  
i'm just a shot, waiting for you

And if you leave here,  
you leave me broken shattered i lie  
i'm just a crosshair,  
i'm just a shot, then we can die

I know i won't be leaving here  
with you

(i know i wont be leaving here) x4  
(with you)

i say don't you know  
you say you don't know  
i say, u gotta take me out

eyes move this could die  
eyes move this could die  
come on, come on, youve gotta take me out

i say don't you know  
you say you don't know  
i i want you, totake me out

eyes move this could die  
move this could die  
come on, take me out
