

Big Bad Voodoo Daddy, Maddest Kind Of Love

"The maddest kind of love,
is a love you know is wrong,
it burns a hole, right through your soul,
and cuts you like a knife.
The maddest kind of love,
is a love you know won't last,
it fills your heart with passion,
makes you lie about your past,
you know I speak from experience,
livin' each day,
its something she does,
something she'll say.
Its the maddest kind of love.
The maddest kind of love,
is a love just for the thrill,
it doesn't have a conscience,
only lives, for the kill.
The maddest kind of love
is a love you know's a lie,
it leaves feeling empty,
too weak, too cold to cry.
You know I speak from experience,
livin' each day,
it's something she'll do,
something she'll say.
Its the maddest kind of love.
Its a mad, mad love.
Its the maddest kind of love.
Its a mad, mad love.
woooooooooo yeah,
You know I speak from experience,
livin' each day,
its something she does,
its something she'll say,
its the maddest kind of love,
its a mad, mad love,
its a maddest kind of love,
its a mad, mad love,
oooooooooooh yeah, you're in love
(yeah),
don't fall in love...
oooooooooooooooooooooooooh..."
