

Big Bad Voodoo Daddy, Still In Love With You

So, when it rains,
I'll shield your head
And when you cry,
I'll wipe those tears
Because it's you, through all these years
And I'm still in love with you

Drop to my knees at Christmas time
And ask you please, if you'd be mine
Because it's you, through all these years
And I'm still in love with you

We walked the streets of the Crescent City
We held hands in China Town
We watched the sun go down on the ocean blue
That's when I knew that I would always love you

So when the day turns into night
I know that everything's all right
Because it's you, through all these years
And I'm still in love with you
Yes, I'm still in love with you
