

# Big Bad Voodoo Daddy, You Know You Wrong

Spoken: "Here we go guys, c'mon!"  
(bar banter)

Well, I call it like I see it  
And you could never be it  
Your eyes are always closed  
You don't see beyond your nose  
You know you wrong (you know you wrong)  
(repeat 3x times)

You see now I don't wanna fight, Jack  
But you ain't ever right  
You know you wrong (you know you wrong)  
You know you wrong

Now, the girl that you just met's got you tied up like a pet  
Got you coming got you going  
Got you never ever knowin'  
That you wrong (you know you wrong)  
(repeat 3x)

You see now I don't wanna fight, Jack  
But you ain't ever right  
You know you wrong (you know you wrong)  
You know you wrong

Even though I know you love this song  
You sit and sing it all day long  
It doesn't change a simple fact  
That brother you still don't know jack

At the end of the day  
I can always hear you say  
That everything happens  
Because of your way  
You know you wrong (you know you wrong)  
(repeat 3x)

You see now I don't wanna fight, Jack  
But you ain't ever right  
You know you wrong (you know you wrong)  
You know you wrong

Even though I know you love this song  
You sit and sing it all day long  
It doesn't change a simple fact  
That brother you still don't know jack

At the end of the day  
I can always hear you say  
That everything happens  
Because of your way  
You know you wrong (you know you wrong)  
(repeat 3x)

You see now I don't wanna fight, Jack  
But you ain't ever right  
You know you wrong (you know you wrong)  
(repeat 9x)

You see now I don't wanna fight, Jack  
But you ain't ever right  
You know you wrong (you know you wrong)  
You know you wrong
