

# Big Bang, Cloudy Days

you were my sunshine  
on a cloudy day  
you give me love and laughter  
skys are grey x2  
todayyyyyyyyyyyyyyy  
you were with me through my darkest hour  
you make my hopes feel bright at night  
you will be UP  
everythings ok  
you were my sunshine on a cloudy day  
i wanna feel your hopes in a warm ebrace  
i wanna see the love written on your face  
and as time goes by  
youll be my sunshine on a cloudy day
