

# Big Black, Colombian Necktie

Gotta get loaded, I gotta go off  
Don't call her to save me  
Don't call her hack off  
More like an ashcan  
More like a time bomb  
More like a stovepipe  
Columbian necktie  
I don't want to die, I just wanted to give her the works  
Don't call her to safety ??  
Don't call her to report  
More like an ashcan  
More like time bomb  
More like a stovepipe  
Columbian necktie  
I don't want to die, I just wanted to give her the works  
When I get loaded, gotta go home  
Don't call her to safety  
Don't call her hack off  
More like an ashcan  
More like time bomb  
More like a stovepipe  
Columbian necktie  
I don't want to die, I just wanted to give her the works
