

# Big Brovaz, Big Bro Thang

Intro: I cant feel my heart beat I get so cold, I cant breath

J-rock: lord please [ ] [ ] [ ] [ ] Im on my knees,

& im prayin 4 my enemies, I know they remember me But they wont ever let me be,  
And im tired of running from it, If I did it, s\*\*t I'd admit it, Like yeah, f\*\*k it I done it, What of it?

That's the reason I got this troublesome tatted (tattoo'd) on my stomach Im advertizing to the public  
I just wanted To show the world I could cut it, Seperate big brovaz From the other rubbish, I hope th

Randy: just come here Kick it with me a minute Let me spit you a lyric Im from the ghetto so I know h

There's allota other crews But we the illest admit it, And any thing they gone do We already been the

Won't stop till Both wrist glitted up, My cars kitted up, My fam living it up.

I know you'll feeling The flows I bring Then the ladie's come and help me sing Do your thing uh huh.

Chorus: never mind the way we are Coz we won't change, We'll keep it hot So you remember our na

Nobody can rock this

The way that we cant a big bro thing!!

Won't do what were told Coz we don't see why we should Got too much fight in us For our own good

Love us or hate us, We gone do what we can. It's a big bro thing.

Cherice: for all the time's You bought me down, You made me stronger now, You opened up my eye

Now im ready 4 you

(bring it) Now im ready for you

Think you know me But you wrong, (but you wrong) What the f\*\*k I'll take you on Torch the bridges v

Coz im ready for you

(bring it) Coz im ready for you.

Pre chorus: x1

Chorus: x1

Bridge: you use us Abuse us In the name of dreams Confuse us,

Were losing, Were losing Still we fight We have to fight,

Its hunger Its hunger, We can't take s\*\*t No longer

Looks like it right Under thwe hype

(aah) can you feel me now?

Chorus: x2
