

# Big Country, Cracked Actor

I've come on a few years  
From my Hollywood highs  
The best of the last  
The cleanest star they ever had  
I'm stiff on my legend  
The films that I made  
Forget that I'm fifty  
Cause you just got paid  
Crack, baby, crack, show me you're real  
Smack, baby, smack, is that all that you feel  
Suck, baby, suck, give me your head  
Before you start professing that you're knocking me dead  
Oh stay  
Please stay  
You caught yourself a trick

Down on Sunset and Vine  
But since he pinned you baby  
You're a porcupine  
You sold me illusions  
For a sack full of checks  
You've made a bad connection  
Cause I just want your sex  
Crack, baby, crack, show me you're real  
Smack, baby, smack, is that all that you feel  
Suck, baby, suck, give me your head  
Before you start professing that you're knocking me dead  
Crack, baby, crack, show me you're real  
Smack, baby, smack, is that all that you feel  
Suck, baby, suck, give me your head  
Before you start professing that you're knocking me dead
