

Big Country, Lost Patrol

This time we run
this time we hide
This time we draw on all the fire we have inside.
We need some time to find a place
Where I can wipe away the madness from your face.
Our name is out
our name is known
Our name is everywhere
but who knows where we're flown.
I never meant to kill a man
But I will show you how to live like no one can.
So look away
look away
Hide your eyes from the land where I lie cold.
Look away
look away from the lies in the stories that were told.
Look away
look away from the love that I hide way down deep in my soul.
I met you wild in a snowed up town
When I was waiting tied and bound to be sent down.
Then I broke loose
you weren't around
So I raised banks and trains until I tracked you down.
Now look away
look away
...
You followed me why I said no
You lay with me when there was nowhere safe to go.
We made some friends
but now it's done
I always knew that we would never find the sun.
So look away
look away
...
