

# Big Country, Lost Patrol

This time we run  
this time we hide  
This time we draw on all the fire we have inside.  
We need some time to find a place  
Where I can wipe away the madness from your face.  
Our name is out  
our name is known  
Our name is everywhere  
but who knows where we're flown.  
I never meant to kill a man  
But I will show you how to live like no one can.  
So look away  
look away  
Hide your eyes from the land where I lie cold.  
Look away  
look away from the lies in the stories that were told.  
Look away  
look away from the love that I hide way down deep in my soul.  
I met you wild in a snowed up town  
When I was waiting tied and bound to be sent down.  
Then I broke loose  
you weren't around  
So I raised banks and trains until I tracked you down.  
Now look away  
look away  
. . .  
You followed me why I said no  
You lay with me when there was nowhere safe to go.  
We made some friends  
but now it's done  
I always knew that we would never find the sun.  
So look away  
look away  
. . .
