it's not exactly were i wanna be, when  
your life's built like a cell - you can't find  
a way out - when your life's built like a  
cell - stuck inside my whole life [repeat]  
(we can't be caught, we can't be caught  
we can't be caught, no we can't be caught  
in a four wall way of life i won't be caught ,  
i won't be caught , i won't be caught,  
no i won't be caught cause i can see  
more than in sight) work hard shit job
