

Big D And The Kids Table, If We Want To

I could not ever see myself packing up and taking off just to fall asleep and work again
I will not count my sleep hours Let 'em all just have me all groggy and incoherent I just met a crazy
Only an idiot would say "right on i'll see ya"; Just to go home and think what coulda been
We've both finished ripping off all the labels on the pantry cans
We've all succeeded hurling the tv still plugged in down the front stairs.
So Why not

Chorus:
Cuz we can stay if we want to

She could not ever think of leaving everyone she knows is never all in the same place
the 8 hours she spends hardly working with this she would gladly replace
All she wants is what we want free time laughing with no designated end
she told me "i will not be a slave to time, time must learn to roll with me"; So why not

Chorus
Cuz we don't care like they do

It cannot stop too many of us laughing each other on we cannot stop we need more trouble before
So why not

Chorus

So why not
Chorus:
Cuz we don't care like they do Cuz I'm not gonna stay as long as you do.
