

# Big D And The Kids Table, You Lose, You're Crazy

Remember when we said we shouldn't tell anyone?  
Remember when we said we wouldn't tell anyone?  
Remember when you went and just told everyone?  
I guess you thought I'd never know

I heard you lost by  
A couple of winks, a bad day, and a rumor, yeah  
But I'm still doin' fine  
I heard you lost by  
A couple of winks, a bad day, and a rumor, yeah  
But I'm still doin' fine

Moving faster than you thought it would  
Moving faster than you thought it could  
What you said, what you just told everyone  
I guess you thought I'd never know

Too much patience  
Too much patience  
Too much patience could be given to anyone  
So much patience  
So much patience  
But now it's all all all all gone

A couple of winks, a bad day, and a rumor, yeah  
But I'm still doin' fine  
I heard you lost by  
A couple of winks, a bad day, and a rumor, yeah  
But I'm still doin' fine

I heard you lost by  
A couple of winks, a bad day, and a rumor, yeah  
But I'm still doin' fine  
I heard you lost by  
A couple of winks, a bad day, and a rumor, yeah  
But I'm still doin' fine

Has anyone told you you're crazy? (Ooooh)  
Well let me, guess what, I think you're crazy  
No more patience  
No more patience  
No more patience to be given to anyone  
No more patience  
No more patience  
Nah, it's just all all all gone

A couple of winks, a bad day, and a rumor, yeah  
But I'm still doin' fine  
I heard you lost by  
A couple of winks, a bad day, and a rumor, yeah  
But I'm still doin' fine

I heard you lost by  
A couple of winks, a bad day, and a rumor, yeah  
But I'm still doin' fine  
I heard you lost by  
A couple of winks, a bad day, and a rumor, yeah  
But I'm still doin' fine
