

Big Daddy Kane, Children R the Future

On and on and on and on
Me say the beat don't stop until the break of dawn
Nor does the growth of our young world
Yes the children, be buildin, each boy and girl
Cause you are the cream of the planet earth
The new birth, now take that for what it's worth
And give the child room, to blossom and bloom
Livin large, it's your destiny to consume
To take flight and ignite to a brand new height
Cause that's your goal in life - am I right? (Yeah!)
To start reachin, come on each and every
single one of y'all comprehend what I'm teachin
I said listen up, listen up, listen up youngster
Learn from a lesson that the Big Daddy brung ya
It's nothin but knowledge, I shall bring to you
And I'm not Mr. Rogers or Captain Kangaroo, but I know
