Nor does the growth of our young world  
Yes the children, be buildin, each boy and girl  
Cause you are the cream of the planet earth  
The new birth, now take that for what it's worth  
And give the child room, to blossom and bloom  
Livin large, it's your destiny to consume  
To take flight and ignite to a brand new height  
Cause that's your goal in life - am I right? (Yeah!)  
To start reachin, come on each and every  
single one of y'all comprehend what I'm teachin  
I said listen up, listen up, listen up youngster  
Learn from a lesson that the Big Daddy brung ya  
It's nothin but knowledge, I shall bring to you  
And I'm not Mr. Rogers or Captain Kangaroo, but I know
