Big Daddy Kane, Dance With The Devil

C'mon.. * echoes *

Swing your partner, I'm about to start the dance across the land, the Kane will scar the people of our community, cause we're soon to see the future of the world to be without unity So brothers and sisters, let's check our history to reveal what's been hidden a mystery Because we're headed for self-destruction And you know that the government, doesn't give a (fuck) when one black brother sells another one dope And he can't cope, so he dies without hope Many of us live on this level Mislead victims who dance with the devil
