

# Big Daddy Kane, To Be Your Man

Mmmm, mmm, mmm!

..

My my my my my my my my my  
This must be what you call, love at first sight  
When you commit yourself to someone  
and don't even know wrong from right (wrong from right)  
Looks like my feelings been united with you baby  
But maybe just a little bit too soon  
I realized that hearts get broken, sweetheart  
I couldn't stand the wound (can't stand the wound)  
So I put mines in your hands girl  
And it's all yours my dear  
but you got to be gentle, cause it's fragile see  
That means handle with care (handle with care)  
Heh, reminisce on how I first met you  
You remember -- backstage at my show  
I thought that I was the star until I saw you  
(but I did not love her) (I did not love her)  
Escapin from the crowd to be alone witchu  
Cause I had oh so much to say  
As we sat down in my dressin room girl, huh  
and just talked the entire night away  
From that moment on I felt that I knew you  
Just like the back of my hand (I love you, I love you)  
Loved you like I never loved another (I loved you)  
and dreamt of bein your man
