

Big Daddy Kane, To Be Your Man

Mmmm, mmm, mmm!

..

My my my my my my my my my my
This must be what you call, love at first sight
When you commit yourself to someone
and don't even know wrong from right (wrong from right)
Looks like my feelings been united with you baby
But maybe just a little bit too soon
I realized that hearts get broken, sweetheart
I couldn't stand the wound (can't stand the wound)
So I put mines in your hands girl
And it's all yours my dear
but you got to be gentle, cause it's fragile see
That means handle with care (handle with care)
Heh, reminisce on how I first met you
You remember -- backstage at my show
I thought that I was the star until I saw you
(but I did not love her) (I did not love her)
Escapin from the crowd to be alone witchu
Cause I had oh so much to say
As we sat down in my dressin room girl, huh
and just talked the entire night away
From that moment on I felt that I knew you
Just like the back of my hand (I love you, I love you)
Loved you like I never loved another (I loved you)
and dreamt of bein your man
