

Big Daddy Weave, Everything You Are

You are Holy
God of the Heavens
Almighty
Lord of Creation
You have power
The universe displays
All things fade away
But You remain

And Your mercies stretch across my life
As far as I can see
And I know from experience that You are good indeed
I stand here in amazement of your awesome majesty
For words cannot describe oh God
Everything You are to me

You are Father
You called me Your very own
My redeemer
You left heaven's throne
My ransom
With blood for me You paid
One day unashamed
I'll see Your face

Indescribably good
Lord that's what You are to me
You are making me into
Just what You want me to be

You are Jesus
And I love You
