

# Big Daddy Weave, For Who You Are

Totally, Completely,  
Entirely amazing  
That the unseen has become seen  
And is to me unfailing

You are the Lord, The Father of lights  
You are God the Keeper of my heart  
And I praise You, and I praise You  
You are the Lover of my soul  
You are the Giver of the second start  
And I praise You, for who You are

Seems too high for me to reach  
To wrap my mind around the mystery  
That who You are so constantly  
Is who You're making me to be

And who You are does not rely on what I'm currently surrounded by  
You're teaching me to fly, teach me to fly so high
