

# Big Daddy Weave, Pharisee

Hear no evil, see no evil  
Speak no evil  
On the outside  
Full of pride, full of lies  
So well they hide  
On the inside

They'll never be  
All that they seem  
They live the life of a Pharisee

Not perfect on the surface T So far to go T On the outside  
But a true heart T And a new start is what lives on the inside

For whom the Son has set free  
He is free  
Free indeed

Receive the Son who makes us free  
Then you will be free indeed
