

# Big Daddy Weave, Set Me Free

Locked inside this cell of flesh  
I sat awaiting an eminent death  
The fruitful labor of my sin  
Had brought me to what I knew would be the end

When I had a debt I couldn't pay  
You paid a debt I didn't owe  
You gave your life for me that day  
So freedom I could know

Set me free  
From the chains that bound me to my sin  
Set me free  
From this life that I've been living  
Set me free

There has never been a time  
When Your mercy did not find me  
Tangled up in all my sin  
And then so faithfully unwind me

But just before I slipped away  
You heard me when I called Your name  
There'll never be a day when You won't come and

You are the author and the finisher of the faith in me  
I know I can trust in You to come and set me free
