

Big Daddy Weave, What I Was Made For

I used to think that I was never good enough to cut it
I bought the lines that they were selling time after time
But when You opened up my mind and I refused to shut it
You brought me to a place where I could leave it all behind

Good-bye to my old life
I dont listen to those lies anymore
Youve given me new life
Loving You is what I was made for

It took a while for me to see but when I finally saw it
I knew I had to leave my sorted past in the past
I couldnt get there on my own it was Your grace that taught it
My sin is covered by Your blood and Im not looking back

You saw right through me
Your kindness drew me
Your mercy knew me
You love came to me
