

# Big Dumb Face, Fightin' Stance

yeah  
big job buck up  
to the pocket of you know what  
hot damn, hot damn, hot damn my man  
hot damn  
ready to win  
money in my pocket  
wearin' a grin  
lots of flocks on the rocks  
wearing boots  
without no socks  
whoopin' ass, knuckles brass  
bitin' fire and chewin' glass  
whoopin' ass, knuckles brass  
bitin' fire and chewin' glass  
temper like a cyclone baby  
in a fightin' stance  
ambiance...  
church bells ring  
we all sing  
everybody likes to wear a ring...  
temper like a cyclone  
temper
