## Big Dumb Face, Robot

This battle has raged for too long, but we'll soon right what went so wrong, you see we found a faster feces, faster morning for the freebees, kill the bastards want to die? Use your knif to stab his eye, they made us mad and they will pay! Follow me, I know the way... Down in here there is a key that we hide to they could not see, it's right in here, and this is where we'll find our key, we're almost there, the key is used to turn a lock that activates a huge robot, and this robot will kill them all, with one huge smash, we'll watch them fall! thank you Robot...
