

# BIG FAT MAMA, I GOT SOUL

I've got the pump to pump the pleasure  
Got that swingin' in between  
That's something you all can't measure  
You can't get no chain on me

I've got to rock the mock the snigger  
I've got to knock them on their knees  
It's a thing you all can't deal with  
You ain't got no chance with me

I've got that jive that leaves the leisure  
I gotta to do bop with the bees  
In hive is my treasure  
You ain't got no chain on me

I got the Tom the thumb the midget  
I gotta be popin' with these  
I know y'all won't be able to dig it  
You ain't gonna put the chain on me

I got soul soul soul soul...
