

# Big God - Raped Souls, Fear Factory

Intro:

In America today  
Every 25 fucking  
Seconds someone  
Is viciously raped  
Someone is  
Brutally violated  
250 Times a day  
Someone is murdered  
Someone's life is taken  
In America  
This is America

This is America  
And I love America  
I love America!

No remorse for the pain  
Look into the eyes of death  
Strong man cannot endure  
Big god of this earth

Liar!  
Big god, no god!

Take back this life  
Give back this world  
"Woe to you  
Of earth and sea"  
Big god will always be

Liar!  
Big god, no god!  
Burn!

Raped Souls:

God raped souls  
Of our lives  
Hammers crush all our lives  
Just like clockwork  
They'll crush our lives
