

Big Head Todd And The Monsters, Blues For Annie

Annie don't you run away. I won't leave you behind.
Just you wait one longer day.
Just you ease your mind
Annie don't you run away

Annie don't you cry. I won't let you down.
I never meant to say good bye.
To this love I found.
Annie don't you cry.

Said I've been gone for too long.
And I've been too far away.
It'll seem like I've never gone.
Hey Annie. Don't stop waiting.

Annie don't you lose your heart. I won't leave you behind.
I loved you from the start.
Just you ease your mind.
Annie. Don't you lose your heart.

Hey Annie. Don't stop waiting.
