

Big Head Todd And The Monsters, I Will Carry

I know I might have let you down
I know it's hard to turn around
But can't you just take one look at me
Before you leave me dyin'?
I know I might have done you wrong
I might have taken all and left you none
But do you blame me for living
Honey nothin' lives forever.
I will carry you.

can you trust can you believe
Life ain't what it made me to be
I'm just a little shaken up
I'm just a little lonely.
When you can't walk when you can't sleep
'Cause life get hard, things get bleak
Just come my way knockin'
Baby I ain't goin' nowhere.
I will carry you.

I dreamed once of different streets
A better place for you and me
We were laughin' and talkin'
Sunlight filled the room.
Now when I look behind your eyes
No my dream it ain't a lie.
Or some story that we heard,
when no one else was listening.
I will carry you.
