Big Head Todd And The Monsters, I Will Carry

I know I might have let you down I know it's hard to turn around But can't you just take one look at me Before you leave me dyin'? I know I might have done you wrong I might have taken all and left you none But do you blame me for living Honey nothin' lives forever. I will carry you.

can you trust can you believe
Life ain't what it made me to be
I'm just a little shaken up
I'm just a little lonely.
When you can't walk when you can't sleep
'Cause life get hard, things get bleak
Just come my way knockin'
Baby I ain't goin' nowhere.
I will carry you.

I dreamed once of different streets A better place for you and me We were laughin' and talkin' Sunlight filled the room.

Now when I look behind your eyes No my dream it ain't a lie.

Or some story that we heard, when no one else was listening. I will carry you.
