

Big In Japan, Big In Japan

Winters cityside

Crystal bits of snowflakes all around my head and in the wind

I had no illusions

That I'd ever find a glimpse of summers heatwaves in your eyes

You did what you did to me, now its history I see

Here's my comeback on the road again

Things will happen while they can

I will wait here for my man tonight, its easy when your big in japan

When your big in japan, tonight

Big in japan, be tight, big in japan where the eastern seas so blue

Big in japan, alright, pay, then I'll sleep by your side

Things are easy when youre big in japan, when youre big in japan

Neon on my naked skin

Passing silhouettes of strange illuminated mannequins

Shall I stay here at the zoo

Or shall I go and change my point of view for other ugly scenes

You did what you did to me, now its history I see...

Things will happen while they can

I will wait here for my man tonight, its easy when youre big in japan
