"My-my-my nigga, my-my-my-my-nigga C-Town"  
"My big brother Big Lee, holdin it down"  
(uh-huh)  
"Flam-flam, flam-flam-flamboyant baby.."  
"For life!"  
"Big L."  
"For my man Big L" .. "BIG L!"

[Big L]  
Yo; you know the game plan  
C-Town, that's my main man  
We never bring luggage, we go shoppin when the plane lands  
Still run with the same clan, used to be a Kane fan  
("Mmm, mmm, mm.") Everything I rock is name brand  
L'll make ya dame swallow  
Your ice don't shine and your chain hollow  
While you front in clubs for hours with the same bottle  
Takin midget sips, I run with the richest clicks  
Tap the thickest chicks, plus drop the slickest hits  
You know nuttin about L, so don't doubt L  
What's this motherfuckin rap game without L?  
Yo, that's like jewels without ice  
That's like china without rice  
or the Holy Bible without Christ  
or the Bulls without Mike  
or crackheads without pipes  
The Village without dykes  
or hockey games without fights  
Don't touch the mic if you unable to spit  
Flamboyant is the label I'm with, motherfucker
