My home's in Texas What am I doin' up here? My home's in Texas What am I doin' up here? Yes, my good corn whiskey Baby, an women brought me here

Well, I'm goin' back to Texas Just to ride this Texas train I'm goin' back to Texas

Just to ride this Texas train I'm goin' to Texas Just to be on the devil's range

I love, Texas That is a place for me I love, Texas That is a place for me I got a sweet gal there That means so much to me

'A-pick 'em Mr. Maceo'

(piano & amp; guitar)

When I left Texas Well, she begged me not to go When I left Texas Well, she begged me not to go But if I ever get back to Texas Love, I won't be bad no mo'.
