

# Big Pun, Parental Discretion

[Big Pun]

Aiyyo I'm hard to talk to, if you live I probably thought you stalked you  
where you walked to at night, caught you then tried to extort you  
New York niggaz is trigger happy, got Pataki scared  
This town ain't big enough for both of us AND I AIN'T GOIN NOWHERE  
There it is, plain and simple like Jigga my game is mental  
While slow niggaz better know I blow their brains out they temples  
I'm into black magical torture romantic dramatical author  
Compatible with the average New Yorker  
A fast talker, like Tony when gas whores I'm the masked enforcer  
out for the cash and the cho-cha  
Smash the coca, bottle it up watch the fiends gobble it up  
If I roll up, you do what? Swallow the stuff  
I don't give a f\*\*k anymore, I'm only twenty-four years old  
and I've already broken every law  
I'm horrorcore, this is for the heads  
Runnin up in your crib, knot if you still hot in under the bed  
Chorus: Busta Rhymes

Yo, parental discretion advised, please cover your eyes  
Little kids -- GET OUT OF HERE!!! This shits is homicide!  
Drugs and money, this ain't no Bugs Bunny!  
Little girls too; this ain't for you it's for the thugs honey!

[Big Pun]

Hey yo my shit's the truth, 150 proof no question  
Parental discretion advised, keep out the eyes of the youth  
It's too explicit, bullshit! I challenge the statistics  
Violence existed before our music was even suggested  
Arrested on sight, it's like there's no rights  
That's why I rhyme so aggressive and bring every message to life  
I fight the power, spite the power the 90 percent  
Keep 10 and feed Twin half for personal reasons  
The seasons change.. things re-arrange, but I stay the same  
Play the game, for the wealth, until I've made myself a name  
So blame it all on the gangster rapper, thanks to Joey Crack  
for the chance to do it my way like Frank Sinatra  
I ain't a actor so it's all facts, strictly raw rap  
Totally intended for yours dressed in all black  
with the ski mask, or the pantyhose makin cameos  
in liquor store cameras with the twin Calico's

Chorus 2X

[Big Pun]

So forget the boom, one look, you shook -- you know I'm stickin you  
Liftin you off the ground, look down -- that's where I'm puttin you  
Look in my eyes and remember me, how does it feel mentally  
havin the enemy be the last thing you ever see?  
The recipe is death and I'm the chef, fricaseein your flesh  
Be my guest, but I ain't cleanin the mess  
Me and TS we testin niggaz faith, just to see they face  
expression when destined to states, that death be in the case  
I'm in the state of grace, in the hated race, by the pagan face  
Couldn't fight us, made a virus, gave us AIDS  
I paint the wake cause they ain't get me yet, wet me  
or reflect me yet, I know they comin they just tryin to let me sweat  
I wreck it like when I was just a boy, eatin Chips Ahoy!  
Wasn't allowed to raise my voice, now I'm makin noise  
No more toys, strictly Mac's and missiles, shorties with forties  
packin pistols catchin bodies make sure we'll get you  
So they say, I pray there's a better way  
My kids don't do as I do, they do as I say, cause daddy don't play

Chorus 2X

[Busta Rhymes]

Word is bond  
One thing about MC's is that we don't conceal the truth  
We present real pictures about the positive and the negative  
So don't blame the hip-hop when your seed is learnin the real life  
from us  
Do your duty at home and raise your child in the house  
Parents...  
You don't do your job we gonna put your children to bed at nine  
o'clock  
Past your bedtime  
You get your ass in bed you ain't 'posed to be hearin this shit  
Word up  
Punishment motherf\*\*kers!  
By the Punisher, and Busta Rhymes, hah  
Terror Squad! Flipmode Squad niggaz!
