BIG PUNISHER

Miscellaneous

100%"(feat. Tony Sunshine

From San Juan to Bayamon, I'm the Don Juan beside the Don
Live long, get your party on

Don't let the liquor fool you, cause I'll stick it to you

Somethin sharp to the heart, or somethin big to move you

The Desert or the shottie, whatever you the body

that chose to be the dumb nigga at the party

Too much Bacardi started speakin dumb

Then you tried to snuff Joe - must have been Puerto Rican rum

That's the hardcore, two years a sophomore

Takes years to earn a pair of Terror Squad balls

So get lost or take one, bones I break them

Pigs are bacon, so get fried if they come

You see that? I'm like G. Rap, 'Pac, Master P

all balled up with a twist of Marc Anthony

Recognize me I'm the one that's cockin the auto

Tony Sunshine please canten el coro

[Chorus]

[Tony] It ain't over

[Pun] I thought you ain't like the beat

[Tony] Te digo que no se ha acabao

[Tony Sunshine]

La tierra del Borinquen donde nacido yo
aha aha aha aha..

Es un jardin florido de magico primor
aha aha aha aha aha aha...

Un cielo siempre nitido, que sirve de dosel
y dan arrullos placidos, las olas a sus pies

[Chorus]

[Frankie Cutlass sample]

A Puerto Rico..

A Puerto Rico..

A Puerto Rico..

A Puerto Rico..

A Puerto Rico..
