

# Big & Rich, Blow My Mind

Tell me brother, sisters do you listen when it rains  
Are you worried something's going to end it all today  
Is there anything that you had wished that you had said  
Or is it all just bouncing like a bubble in your head  
Run, run 'til you're far away  
Run, run 'til you're far away  
'Cause if you want to blow my mind  
Blow my mind, blow my mind  
If you want to blow my mind  
Blow my mind, blow my mind

[Chorus:]

Boom boom diddy diddy  
Boom boom diddy diddy  
Boom boom diddy diddy  
Hey!  
Boom boom diddy diddy  
Boom boom diddy diddy  
Boom boom diddy diddy boom  
Hey!

Heart's a moter bigger than a super nova train  
Shame it's got to deal with all the demons in your brain  
Tell me when you're ready we can kiss and say goodbye  
Or if you want to, me and a few friends are gonna fly  
Run, run 'til you're far away  
Run, run 'til you're far away  
'Cause if you want to blow my mind  
Blow my mind, blow my mind  
If you want to blow my mind  
Blow my mind, blow my mind

[Chorus]

If you want to blow my mind it's time for you to start the show  
If you want to blow my mind it's time for you to let it go

[Chorus]
