

# Big & Rich, Drinkin' 'bout You

All my life I've been tellin' myself  
I don't need no no nobody else  
I'm sittin here thinkin'  
Sittin' here drinkin' 'bout you

I looked through a mirror  
And all that I see is one crazy lonely sucker lookin back at me  
I'm sittin here thinkin'  
Sittin' here drinkin' 'bout you

I'm just a man on a mission  
Tryin' to make some decisions ahoooo  
What am I gonna do?  
Cuz I ain't goin' nowhere if I can't be somewhere with you  
boo boo boo

I'm sittin' here thinkin'  
Sittin' here drinkin' 'bout you

Aw play it my brothers

Oh I'm just a man on a mission  
Tryin' to make some decision ahoooo  
What am I gonna do?  
Cuz I ain't goin' nowhere if I can't be somewhere with you  
boo boo boo

I'm just sittin' here thinkin'  
Sittin' here drinkin' 'bout you

Yes I'm sittin' here thinkin'  
Sittin' here drinkin' 'bout you
