

# Big & Rich, Our America

We the people of the United States  
In order to form a more perfect union  
I have a dream, a dream that one day  
We hold these truths to be self evident  
That all men are created equal and  
They are endowed by their creator with certain inalienable rights  
And that among these are life, liberty and the pursuit of happiness

Oh say can you see by the dawn's early light  
What so proudly we hailed  
At the twilights last gleaming

I pledge allegiance to the flag  
Of the United States of America

Who's bright stripes and bright stars  
Through the periless fights  
O'er the ramparts we watched  
Were so gallantly streaming

And to the Republic for which is stands  
One nation under God

And the rockets red glare  
The bombs bursting in air  
Gave proof through the night  
That our flag was still there

Indivisible

Oh say does that Star Spangled Banner yet wave

With liberty and justice for all

O'er the land of the free  
And the home of the brave
