Big Sean, All Your Fault (ft. Kanye West)

(How much I feel, I live for your love)
Lit for your love baby, lit for your love
(Live for your love baby, lit for your love

That's that don't play, whoo, that's that new Ye
People sayin' I'm the closest thing to Mike since Janet, whoo
Tom Cruise, homie, we jumpin' up on them couches
That's a fresh house, is that a guest house
Your house got another house
Your bitch got a bitch, your spouse got another spouse
Young Walt Disney, I'ma tell you truthfully
If you leave Mickey you gon' end up with a Goofy
I imagine thats what Chris told Karrueche
Girls be actin' like it's diamonds in they coochie
I don't give a fuck, I don't give a fuck
But cops chokin' niggas out in the media
We finna have to protest and tear the city up
We bout to tear this whole place up pretty much
(How much I live)

And you know it's all your fault Nobody, nobody, nobody, babe You know it's all your fault Nobody, nobody, nobody, but me

(How much I feel, I live for your love)
Lit for your love baby, lit for your love
(Live for your love baby, lit for your love
(Live for your love)
Lit for your love baby, lit for your love
(Live for your love)
Lit for your love)
Lit for your love baby (Straight up!)
