

Big Sean, Bounce Back

Last night took an L, but tonight I bounce back
Wake up every morning by the night I count stacks
Knew that ass was real when I hit, it bounce back
(You ain't getting checks)
Last night took an L, but tonight I bounce back
Boy, I been broke as hell cashed a check and bounced back
D town LAX, every week I bounce back
If you a real one, then you know how to bounce back

Don't owe nobody, owe nobody
Always on the fuckin' job, I got no hobbies
Got the city fuckin' with me cause I'm homegrown
Vibin' out more than my phone though
Leave me 'lone, me on my own though
Look, I cut that bitch off like an edit
My daddy a G its genetics (Straight up)
I heard ya new shit it's pathetic
Ya contract should be s-shredded
Took my dogs on a private jet from the public housing
I kept it G, yeah, one thousand
Clique star studded like the Paramount Mountain
Everything I do is righteous
Betting on me is the right risk
Even in a fucking crisis
I'm never on some switching sides shit
I switch gears to the night shift
Blacking out cause I'm enlightened
God talk to me in silence
But I hear him every time mane
(Thank you God, God bless you, thank you so much)

Last night took an L, but tonight I bounce back
Wake up every morning by the night I count stacks
Knew that ass was real when I hit, it bounce back
(You ain't getting checks)
Last night took an L, but tonight I bounce back
Boy, I been broke as hell cashed a check and bounced back
D town LAX, every week I bounce back
If you a real one, then you know how to bounce back

I woke up in beast mode
With my girl that's beauty and the beast though
Been top 5 these niggas sleep though
Only thing that sold out is the seats though
(Never sold my soul, never will never have, I know)
Nigga how dare you stand before me and not respect my authority
If you fuck with my glory I'ma drop the L and get gory
I done did everything expect worry
[?] drama, my life story
Faith of a mustard seed, I kept growing
I knew that this life was meant for me
Niggas change up more than wishin' wells
Karma come around I'll wish 'em well
Livin' like I'm on a limitless pill
I kill the scene like I'm Denzel
Crazy like my jacket strapped up
Nigga I don't act but I'll act up
Brown paper bag like the lunch packed up
Back, back, back, back up
Nigga I'ma need like 10 feet
Or get stomped out with 10 feet
I'ma always lose my temper
You cannot "count to ten" me
If I lose 1, I bounce back like 2, 3 did with 4, 5

Seen court rooms and court sides, ain't too many seen both sides
Nigga fuck what you know
Nigga I'm takin' back control
The underdog just turned into the wolf and the hunger steady grows
Yeah, I call shots while you call off
Never takin' summer or fall off
When you stay that committed to it, you just fall down and never fall off
