

# Big Sean, Single Again

it's too good to throw away  
you either let it go bad  
or go away

I need to pray  
take my time  
take my time  
I;ma take my time  
nah nah nah nah  
nah nah nah nah  
nah nah nah  
nah nah nah  
nah  
look

i am single again  
told them we'll be better off friends  
maybe I should just focus on me  
slo down  
don't rush romance

i am single again  
single again  
told them we'll be better off friends  
blaming you is just so easy  
but maybe the problems me

i am single again  
single again  
guess that's just  
the way its gonna be
